Permission to Use Photo

In the registration process you will be given the choice as to whether you would allow photos/videos, taken by camp staff, of your child actively engaged in camp activities, to be used for advertising, website content, or posts on Facebook and Instagram.

Local Walking Trips / Transportation Consent

Parents and campers need to be aware and acknowledge that a wide variety of activities are conducted at Fun-N-Sun Day Camp which may include walking to The Grayslake Aquatic Center, Central Park, Jones Island, The Gymnastic Factory, and The Freeze. By enrolling in Fun-N-Sun Day Camp you are **giving permission** for your child to walk to these and other locations around Grayslake or ride in a van or bus when deemed necessary. In the event of inclement weather, walking distance, or other circumstances, such as being of preschool age, your child may ride in the Westlake bus or van to local places.

Health Standards

Our goal at Fun-N-Sun Day Camp is to maintain a healthy environment. Do a health check daily. Please keep your child home if they are sick with symptoms including:

- He/she has a fever or has had a fever within the previous 24 hours.
- He/she has cold symptoms, accompanied by a runny nose, sneezing, and coughing.
- He/she has a sore throat. If a camper tests positive for strep, he/she may not return to camp until an antibiotic has been taken for 48 hours.
- He/she has symptoms of a communicable disease, such as chickenpox, COVID-19, pinkeye, diarrhea, vomiting, ringworm, or lice.

Illness or Injury During Camp

If your child becomes ill at camp, you will be contacted. Your child will be allowed to rest away from other children in a supervised area. We will ask for your permission before administering any over-the-counter medicine, such as Children's Tylenol. If your child is sick with vomiting or fever, *you will be expected to arrange for your child to be picked up within one hour.* If we are unable to reach you, we will call the emergency contact person listed on your child's registration form to assist in taking the child from camp.

If your child is mildly injured at camp, we will administer ice packs and/or band-aids. All of our staff members are first-aid and CPR certified. If a more serious injury happens beyond the scope of basic first aid, we will attempt to contact you and call 911 if the situation deems necessary.

Over-the-Counter Medication

Fun-N-Sun Day Camp stocks a limited supply of over-the-counter medications that could be dispensed to campers whose parents have signed the medical authorization form. The intent is to provide relief for minor hurts, stings, or headaches. We stock liquid Tylenol, liquid ibuprofen, Tums antacid, cough drops, and 1% hydrocortisone cream (Cortaid). If you authorize dispensing of OTC medication, we will attempt to contact you to make you aware of the need for medicine and confirm your permission.

Prescription Medication Policy

If your child needs to take prescribed medication while at camp, a "Permission to Dispense Medication" card needs to be filled out on the first day your child attends camp. All medication must be sent in the original container with the following information on the label: Doctor's name, patient's name, pharmacy, type of medication, strength, and dosage. Parents must hand medication to a staff person at the Drop-Off area. All medication that needs to be dispensed daily will be kept in a locked cabinet and a record of administering the medication will be kept. Epi-pens and other "as needed" medications will be kept with the camper's team leader and returned to the camp office at the end of the day.

Allergies

For our staff to best serve your child, it is important for you to let us know when registering about any allergies your child has to food, medications, and other substances. Fun-N-Sun Day Camp cannot guarantee isolation from foods or substances that may cause a reaction, but we will work with your family to best accommodate the needs of the child. Your child will receive a special wrist band each morning with the name of the allergy written on it to remind all staff to make accommodations for your child.

Payment Policy

The initial registration fee is due at the time of registration and will not be refunded. Camp tuition payments are due the Tuesday prior to the start of each camp week/session. Any weekly enrollment received after that Tuesday will have an additional \$10 per day or \$25 per week convenience fee added to the rate. If enrolling late, we must receive full payment before your child's first day or they cannot attend camp.

Parents understand that no refunds or exchanges will be given for days not attended due to general sickness. Cancellations must be made by the Tuesday prior to the camp week/session in which the camper has been enrolled. To cancel your day camp session, email funnsundaycamp@gmail.com. There will be a \$25.00 cancellation fee for notification after the Tuesday prior to the weekly session enrolled. Refunds due to family emergency situations must be requested in writing via email and will be considered on a case-by-case basis. Prepaid days may be transferred to other days in the camp season where space is available, if requested prior to the Tuesday before the week of the days enrolled.

Children With Special Needs Policy

Fun-N-Sun Day Camp does not hire staff with specific training and experience to adequately handle the care of children with special needs. However, Fun-N-Sun Day Camp will consider each child with special needs on an individual basis to determine if it can reasonably accommodate him/her. Disclosure of health diagnosis and educational IEP history is crucial to our ability to provide a supportive, safe, and healthy camp environment for your child. Fun-N-Sun Day Camp requires parents to list the accommodations/plans that have proven successful in schools or other programs. The director will contact you to develop a plan for success at camp. After the meeting, if the camper can be safely and adequately accommodated by our high school and college-aged staff without negatively impacting the camp experience of the other campers, your child will be enrolled.

Fun-N-Sun Day Camp staff reserve the right to refuse enrollment to or send home any camper who:

- (1) has a condition beyond the camp's capability to provide proper care, such as needs help with toileting, eating, or changing clothes for swim time;
- (2) requires ongoing one-on-one care at the expense of supervising other campers;
- (3) has emotional challenges where they struggle to get along well with other campers and act out in physically or verbally abusive ways.

In cases where special needs are not disclosed and problems are discovered once camp has started, the Fun-N-Sun Day Camp Director reserves the right to contact the parents to immediately remove the child from camp without refund of camp tuition.

Fun-N-SUN Core Values

Camp is a...

Safe place of

United friends who

'Njoy life! *"We are Kind, We Stick Together, We Have Fun!"*

Just as the earth revolves around the SUN, our camp revolves around our **SUN** core values. We work hard to create a culture that helps ensure that everyone feels SAFE and has FUN! Our staff has the job of helping everyone feel safe both physically and emotionally, so we expect all campers to behave according to our Code of Conduct.

Code of Conduct

1. Follow the directions of camp staff.
2. Treat others with kindness and respect. No bullying, put-downs, name-calling, or gossiping.
3. Respect all personal and camp property and supplies.
4. Use appropriate language. No swearing or inappropriate sexual talk.
5. Respect others' physical space. No pushing, hitting, or inappropriate physical touch.
6. Participate honestly in activities (no cheating). Do not disrupt the program.

Basic Steps for Behavior Management

1. Remind campers of expected behavior. Redirect and give them a chance to try again.
2. Our staff may remove campers from the group for a short time who are acting in unsafe, hurtful, or disrespectful ways to help them "cool down" and become regulated in their emotions/behavior.
3. If behavior persists the camper will have a meeting with a camp director to discuss a plan for the needed change in behavior.
4. Parents will be notified, if an undesired behavior is persistent or at moderate to severe level, to ask for your assistance to reinforce the camper's need to comply with our code of conduct.
5. We reserve the right to suspend a camper's participation at any time for failure to adhere to the rules after repeated attempts to change course or due to the severity of their behavior. If a camper is physically hurting other campers they are subject to a suspension. Usually suspensions are for the remaining part of the day and/or the next day. The purpose of suspensions is to maintain a safe environment at camp and provide time for the camper and his or her family to evaluate past behavior and come up with a plan to function safely, respectfully, and kindly at camp. Permanent removal from the camp program may occur if steps 1-5 are unsuccessful in changing a camper's behavior.

We may skip steps or do them out of order due to the severity of behavior. We reserve the right to immediately suspend or remove a camper from the program who exhibits physical aggression, harsh verbal attacks, sexual harassment, or other behaviors that negatively affect the experience of other campers. There will be no refunds for the day(s) of suspension. It is the responsibility of each parent to discuss the code of conduct with their child and reinforce compliance with it. Children must be able to exhibit appropriate behavior to remain at camp.
